

It is easy to change the colors on the tractor from green to red.

All you have to do is print out the color change sheet from your CD or online, then change the word Green to Red.

Then pick 3 shades of Red, that compliment each other, from your thread supply.

Light Red
Red
Dark Red

1	Brown Spreader [m1056]
2	Black Spreader [m1000]
3	Dk Grey Spreader [m1318]
4	Black Tire [m1000]
